HOLIDAY PARTNERS 2015

November 1, 2015

Dear Holiday Partner,

The holiday season is fast approaching, and we are beginning to look forward to matching community donors of gifts and/or food with families who are in need of assistance. We would be thrilled if you could participate in Holiday Partners and join us in helping to make this season special for someone in need.

Who are the donors?

All types of individuals and groups participate as donors. Businesses, individuals, families, schools, scout troops and service organizations have all taken part in this great project.

What is a donation?

Donations come in all colors and sizes. Some are monetary donations to the "holiday partner's fund". Some are a planned fulfillment of an individual's or family's wish list. Other donations include food, gifts, gift certificates or time and energy. Some contributions might take the form of wrapping or delivering gifts, etc. There are many different opportunities that would be welcome.

Who are the recipients?

The recipients are adults or children with a developmental disability and their families who are in need of gifts and food this holiday season. The recipients are all living in Atlantic County, receiving services from The Arc of Atlantic County and have a financial need.

How does it work?

Complete and return the questionnaire promptly and we will contact you within two weeks with information regarding the individual or family with whom you have been matched. We would love it if you could take it from there! **Please wrap, tag, and deliver the food or gifts to your Holiday Partner recipient family. If you are unable to deliver the gifts, just drop them off at The Arc and we will deliver for you.**

Thank you for your time, we look forward to working with you. **If you have any questions please feel free to contact me at 609-485-0800 x 175 or reed@arcatlantic.org.**

Thank you and have a happy holiday season!

Sincerely,

Rebecca Reed,
Director of Clinical Services
