## **Deep-Sea Fishing Nets A Lifetime Experience for Individuals from The Arc of Atlantic County.**

Last Wednesday, over 50 people and 20 support staff from The Arc of Atlantic County enjoyed a special day on the water, thanks to the Cape May Marlin and Tuna Club, and the Elks Club of Egg Harbor Township. This annual event provides an opportunity for people with intellectual and developmental disabilities (I/DD) to experience the open water while actively engaging with others in the community.

***“It was a great day at sea... one of these boats caught 60 Bluefish!” said Sue Kinsell, Recreation Director for The Arc of Atlantic County.***

Each year, Cape May area boat captains and their crews, donate their vessels, time, and operating costs to provide a "FREE" lifetime of memories for The Arc of Atlantic County service members and guests.

***“Without the support of the Cape May Marlin Tuna Club, the Elks Egg Harbor Township Subvet, and especially the Captains and Crew, none of this would have been possible”*** said Sue Kinsell, Recreation Director for The Arc of Atlantic County.

Persons' with intellectual and developmental disabilities who are interested in participated in other Arc Recreation activities/events are encouraged to contact Sue Kinsell at 609-485-0800, ext. 191 or [skinsell@arcatlantic.org](mailto:skinsell@arcatlantic.org) or visit our website for latest recreational news and information at:
