The Arc of Atlantic County to hold annual RemArcable** Raffle to raise funding support for Intellectual and Developmental Disabilities.**

Egg Harbor Township, NJ – July 21, 2015 – This annual fundraising raffle is a great opportunity for people in the community to do something remarkable by helping support programs for people with intellectual and developmental disabilities.

The ticket price is just \$50 and there are only 400 tickets. All proceeds support The Arc of Atlantic County and people with Intellectual and Developmental Disabilities (I/DD). Raffle prizes will include: 2 amazing American Express Gift Cards, Weekend Casino Get Away Packages, and a Tour d'Shore dinner excursion to some of the areas finest restaurants. More importantly your support will help the Arc of Atlantic County in so many ways.

This year, The Arc is scheduled to open 3 new group homes for people with intellectual and developmental disabilities. They are also in the process of expanding their computer-training center, where Arc consumers can develop greater communication and job related skills.

Arc Job Coaches continue to exceed expectations working with potential employers of individuals with I/DD through training and placement of candidates in their jobs program. Your support ensures candidates with disabilities are trained up to meet job requirements and expectation, making it easier for employers of people with special needs. The program has become so successful over the past few years that it continues to expand its roster of both candidates and potential employers.

The Arc social skills and physical activities programs continue to play a vital role in developing a *Can Do* attitude in people with I/DD. This year, Arc Athletes participated in the 2015 Summer Special Olympics Games bringing back 20 gold medals, 7 silver medals and 2 bronze medal winners.

“Day in and day out, The Arc is helping people with I/DD experience success on and off the field.” said Pat Jones, Interim CEO at The Arc of Atlantic County **“Your support of the Arc through their Rem**Arcable** Raffle is just one of the ways that these successes are all made possible.”**
