## **Enterprise Holdings Foundation Supports The Arc of Atlantic County with Grant Award**

**Egg Harbor Township, NJ – April 28, 2015** – The Enterprise Holdings Foundation recently awarded The Arc of Atlantic County \$1,500 to assist in the support of The Arc’s efforts in helping residents with intellectual and developmental disabilities.

*“We are honored to have the commitment and support of Enterprise Holdings Foundation,” said Patrick J. Manion, MBA, Director of Philanthropy, The Arc of Atlantic County “This will go a long way in helping people in Atlantic County with Intellectual and Developmental Disabilities.*

The Arc of Atlantic County helps nearly 800 Atlantic County residents with intellectual and developmental disabilities achieve their greatest potential. Through direct services, housing, and supportive living, job training, health and fitness, advocacy, education and prevention activities, we work in partnership with individuals and their families to make choices possible about how and where they live, learn, play, and work.

The Arc of Atlantic County greatly appreciates the ongoing support of Enterprise Holdings Foundation which continues to contribute to the success of our programs.

### **About Enterprise Holdings Foundation**

Enterprise Holdings Foundation has worked to be an engaged corporate citizen that helps make differences in the community we all live and work in. They have contributed more than \$200 million to thousands of local non-profits that focus on community improvement, education, and environmental stewardship. Their employees also contribute their time and skills to thousands of national and local organizations in the area that they serve. Enterprise Holdings Foundation’s mission is to give back through charitable support to the thousands of communities where their employees and their customers work and live. They believe it is important to provide financial resources to worthwhile non-profit initiatives that are actively supported by their employees, their spouses, and loyal customers. They strive to provide more sizable special grants to nonprofit groups or causes of significant strategic or social importance to their company and employees.
